

We just wanted to say again how grateful we are to you all for making our Wedding Blessing and Reception so special.

You are all AMAZING and we had a very magical day, our guests and us included loved everything about it and we cannot thank you enough for all of your efforts in making it work seamlessly - special thanks to La for having to tell me it was raining and for making all indoor celebrations just as incredible! And for being there all day working away to make it so special for us all. The evening before, the breakfasts and being able to enjoy the beautiful house and surroundings was incredible.

We didn't want to go and we all want to come back! Thank you for everything, we are so lucky to have had a fantastic day. I'll send some photos!...we have so many lovely ones but will send ones which show of the beautiful Pennard House too!

With best wishes,
Mr & Mrs Burton (Tom&Chloe!) xx

Dear All

We would just like to say how very impressed with the whole package you provided at the weekend. From the minute we arrived on Friday evening Lucy and Ellie were amazing all weekend, to be honest you could think they were part of the two families. They are a credit to Pennard. The very high standards and personal attention they continued to provide all weekend was far above what we expected. Then onto the amazing venue, the house and grounds are just beautiful. Very clean and tidy inside and out. Friday evening dinner and breakfasts were excellent and the weather even decided to meet your high expectations.

Thank you for allowing Katy and Joshua's wedding to take place in a truly wonderful setting. We were fully aware how organised your staff were, which enabled the wedding guests to relax and enjoy such a memorable day, so thank you again for making it such a special weekend, but a VERY SPECIAL WEDDING DAY.

Kind Regards

My husband and I got married at Pennard House three weeks ago and had the most perfect day. Pennard House itself is stunning and allowed us to have the wedding we had always wanted - we could stay the night before and the night of the wedding with our closest friends and family, the grounds and Coach House are just gorgeous, it's informal and relaxed while being totally organised thanks to the added bonus (and it really is a bonus!) of having a Wedding Coordinator. Pennard were so helpful with all things COVID and have a helpbook with a list of recommended suppliers to get your organising started. Our favourite day ever and all thanks to Pennard House and their truly wonderful staff (especially Lucy!). Can we do it again?

I can't believe it was over a week ago now! Thanks for all your help on the day and I hope you had a lovely time at the wedding you went to in Scotland.

Just wanted to say the biggest possible thank you to you and everyone at Pennard who helped to make our day so incredible. You, Harry, La, Ellie, and everyone else we dealt with were so incredibly helpful and made it a day we will remember forever despite the few hiccups along the way, you kept us so well informed with any changes that needed to be made and made a last minute change of caterers really simple to navigate. I've had friends who found getting married such a stressful process but the whole team at Pennard and your relaxed vibe made sure that nothing was too stressful and I think that really helped us to have just the most fun and relaxed day we could have possibly wanted.

Both our families and all of the guests commented on how amazing everyone at Pennard was, as well as how beautiful it is. Highlights include the Montgomery cheddar shortbread – your dad clearly knows how to make a good cheese! The food in general was absolutely flipping delicious – I wish we could have that all the time – I need to track down the sausage canapes we had because everyone I spoke to in the days after the wedding said how good they were! A great decision to take the catering in house I think!

Just need some more friends to get married now so I can persuade them to use Pennard and we have an excuse to come back.

Thank you again, we really did have the happiest day of our lives.

Best wishes,
Laura and Dan

Dear La, Daisy, Ellie, Carole, and everyone at Pennard,

Stevie and I wanted to email to say thank you so SO much for putting everything together and enabling us to have the most wonderful day of our lives on Monday. You were so incredibly helpful and stayed calm when I definitely wouldn't have. I don't know what we would have done without you. Everyone commented on how smoothly the day ran and we definitely have you to thank for that!

We'll share the professional pictures when we get them - and in the meantime, we hope the rest of the weddings this year go well!

All the best to you all,
Nadine and Stevie x

Hi La

We just wanted to drop you a quick note to say a massive thank you for all of your incredible support and guidance in the lead up to and during our wedding. We had the most amazing few days that we'll never forget. You and the whole team at Pennard are fantastic, you've been flexible, accommodating and overall just genuinely lovely people which really made it for us. We'll be recommending you to everyone. Attached are a couple of photos that Hannah and Toby took on the day 😊

All the very best

Thank you so incredibly much! We had the most amazing day and I don't think it could have gone any better. We are so glad that we picked Pennard House to host the day. It is such a special place and we had compliments from our guests all day about how beautiful it is. In addition, it meant that we were in the safe and more than capable hands of you and your team. You have been such an amazing help, not just on the day itself, but in all of the planning stages since we first came down to view Pennard all the way at the start of 2019. We couldn't have done it without you, so thank you!
