Naomi and Barbara are total superstars! Thank you both so much for all the amazing help you provided for our wedding, both on the day and beforehand by accommodating us so well! Thank you to Naomi for our pre-wedding visits, it was great to get into the hall for measuring and planning. Thank you for answering all of my emails so quickly and in such a well considered way - the detail you provided was really appreciated! Thank you to you both for all your fabulous help on the Friday. It was great to arrive to tables and chairs all set up already.

Everybody we spoke to said that the venue was beautiful and so well-equipped, it really did provide the perfect backdrop to our special day. We found that, at any given time, there were people enjoying each of the spaces. The foyer was perfect for welcoming guests. The room at the back made an ideal bar. The main hall was a great size for our guests and the photographer was very complimentary about both the natural and artificial lighting. Of particular note was how perfect the outside space was for relaxing in the evening! Ollie particularly loved being able to retreat from the hubbub to grab some quieter time with our friends and family.

The seamless hosting and unwavering support Naomi and her team gave us at All Saints was brilliant. All Saints helped us create an unforgettable party for our wedding reception; one that we absolutely loved. Our guests can't stop talking about the gorgeous, high quality atmosphere at All Saints. It was a fantastic space, so clean and light and very easy to decorate. It was like a blank canvas, absolutely perfect for a DIY wedding. We were blown away by how wonderful the hall was but also how special the team helped us to make it. In the months and weeks leading up to the wedding I will never forget how supportive and calm Naomi was, just what I needed when I had so many questions! Every guest has said how fantastic the hall was and what a treasure to have found in our local community! To be able to have parking and a spare room for storage was perfect. It is so close to Bath City Centre too which makes it easy for guests to travel to the hall. We absolutely loved it and were beyond happy with how the evening went. Best decision we made to choose to use the All Saints Centre. We strongly recommend this event space.

We had our wedding reception in the Weston Suite back in March and we could not recommend it highly enough. The staff – in particular Naomi – couldn't have been more helpful and accommodating. They were easy to contact, quick to respond and happy to answer millions of questions we emailed them!!! Our guests were very impressed at the facilities and thought it was a bit of a hidden gem! Thank you for helping make our big day such a joy!

Once we walked in, we pretty much knew we would be booking All Saints for our wedding reception. The venue was big enough to cope with our crazy ideas for an unconventional wedding and the team there – Gary and Naomi – were more than up to the challenge too!

With rooms to hire for creating a chill out zone for hyper kids and a lovely garden area (which got so much use during the lovely summery evening) for the guests to mingle, we had all that we wanted and more as Naomi went above and beyond frequently to help me out whenever I needed it. Thank you all so much for a great day at a great venue!

We are very grateful to Gary, Mervyn and the team who could not have been more helpful, from the initial tour and enquiry, to booking and answering all queries promptly. We were fortunate to be able to book the whole venue from the day before to clearing up the day after, as well as exclusive use of the car park for a wedding reception. The main hall was a great size for trestle tables, and accommodated dancing with the excellent sound system. We had a photo booth in the foyer, a quiet room with sofas and a DVD player for photos in the Courtyard room, computer games for teenagers in the Upper room, and indoor games like giant Jenga /Twister in the Garden room, as the weather was a bit uncertain. There is a lift to upstairs for the less able. The kitchen facilities are excellent, and we had a fabulous barbecue under cover of a gazebo we erected on the front lawn. Despite this there was enough space for family wedding photos at the front, though these could also have been taken by the church wall in the upstairs garden. The whole place was immaculately clean and tidy, and Mervyn was a great help clearing up the next day, which took much less time than setting up the decorations. The venue was all we hoped it would be, and more.

We used the hall for our wedding, and we had excellent service throughout the process, from booking all the way through to the end. They worked with our requirements and were faultless to the end. Excellent value for money, they kept me updated via emails, and sent out a room layout spreadsheet to help organise where we wanted tables etc... Not only was the hall used but many guests used the outside area to spend most of the evening as it was very warm with plenty of space for mingling and letting kids play. Help was given at the end of the night to clean up. So a massive thank you for giving us a memorable day.

We'd like to thank you very much for all your input for our wedding reception. You couldn't have been more helpful, and thank you for going the extra mile to make sure things were just right. By the time the tables were laid I thought the room looked very attractive. We have received a letter from one of our guests saying it was the best service they had ever been to, and the reception was 5 star!
